PRESS RELEASE

FOR IMMEDIATE RELEASE

4th August, 2023

Paving the way for exciting collaborations & new business opportunities

Essen Speciality Films Ltd, a leading manufacturer of sustainable plastic products, recently welcomed esteemed customers from renowned Australian retail giant to their state-of-the-art manufacturing facility. The visit proved to be a fruitful and insightful exchange of ideas, exploring possibilities for new collaborations and business expansion.

The discussions focused on exploring opportunities in the artificial flower and plants category as the next strategic step to expand their offering and cater to growing market demands. The visit centered around the kitchen & dining category expressing keen interest in new products like bendable chopping boards and placemats.

Moreover, the meeting delved into optimizing purchase order shipments to enhance logistical efficiency and reduce costs for both supplier and customer. By streamlining logistics, both companies aim to create a more seamless and cost-effective supply chain, benefiting their operations and ultimately delivering enhanced value to customers.

We are excited about the possibilities emerge from this visit, and we look forward to a successful collaboration that embraces innovation, sustainability and shared commitment.
